

Chicken or egg, egg or chicken?

We've all been there. Do we or don't we?
Can we or can't we? What?

Market ourselves!

That long discussed brochure, advertisement, and poster. The new sign for outside... You don't have the budget? Or just can't get the right quality for the right price?

What's wrong with home made?

Nothing at all. But there's a time and a place. If you want to present your business in the manner it deserves, after all the hard work you and your team are doing, it's quite probable that you are worth a little extra investment!

It always costs an arm and a leg!

Not always! Whatever you give us the opportunity to do with you we will give you quality and value for your hard earned dollar. We know you have had to make some difficult choices and sacrifices to come to us.

Who are we to give you advice?

We are a Marketing, PR, Graphics Design and Publications Company. We combine creativity, innovation and business acumen with a strong belief that there is no such thing as a bad idea. Boasting the combined experience of over thirty years in the marketing, design and business fields.

No idea where to begin?

Don't worry about it. That's our job!

All you need to do is **CALL US!**
An exploratory meeting to discuss your ideas is

FREE! No need to wait and wonder if you can afford to do it. All you need to give us is some of your time.

You've got more than one idea to explore?

That's great! Once we have our **free consultative meeting** we will be happy to see if we can work with you to spread the costs into easily digestible chunks!

Now there's definitely nothing stopping you!
